# Vocabulary Practice

## Flash Cards

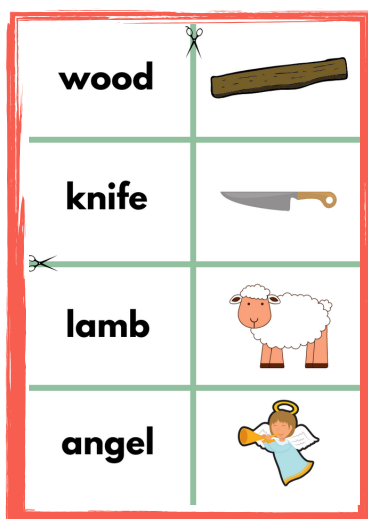

Step 1- Cut out each card along the green lines.

Step 2- Use the flash cards to teach the students the English word for each picture.

Step 3- Optional: Punch a hole in the top left corner of each card. Put them on a ring and have the students practice flipping through the cards while reading each word.

## Matching Game

Step 1- Cut out each card along the green lines.

Step 2- Teach the children the English words by connecting them with the corresponding picture. If you need help matching them, look at the flash cards.

Step 3- Matching Game: Spread out the cards face-up on a flat surface. Make sure that they are mixed up. Have the children pick up a word or picture card and match it with the corresponding word or picture.

## Flashcard Game Ideas:

The flashcards are the cards with the picture and word on the same side of the card. These flashcards are meant to help the student learn the English word for each picture. These cards can be used by putting them on a metal ring and having the student flip through the cards as they practice saying the word that goes with each picture.

## Matching Game Ideas:

For these four games, you can use the matching cards. The matching cards have a picture card and a word card that go together.

1

For this first game, start by laying the picture cards face down. (Do not use the word cards.) Have the students, one-by-one, pick up a card and flip it over and say the English word for that picture card.

2

For this game, lay the picture cards face-up on a flat surface. (Do not use the word cards.) Next, ask the students, one-by-one, where each picture card is. Do this by saying the English word for the picture on the card. Example: Where is the dog? Where is the door?

3

For this game, give each student a picture card. Then, call out one of the English words. Example: "Door". If a student has that picture card, have them hold it up, say the word, and show their friends.

4

For this game, lay out all of the cards (word cards and picture cards) face-up on a flat surface. One-by-one, allow the students to pick up an English word card and match it with the picture card. Try the other way by having the students pick up the picture card and match it with the English word card.

For a harder version of this game, lay all of the cards (word cards and picture cards) face-down. Have the children pick up a card and then pick up a second card. If they match, they can keep them. If they don't match they must put them back face-down and let the next student have a turn.

## Jehova Jireh

Jehovah Jireh  
My provider  
His grace is sufficient  
For me, for me, for me

Jehovah Jireh  
My provider  
His grace is sufficient

My God shall supply all my needs  
According to His riches in glory  
He will give His angels  
Charge over me

Jehovah Jireh cares for me,  
for me, for me  
Jehovah Jireh cares for me

Jehovah Jireh  
My provider  
His grace is sufficient  
For me, for me, for me
